

Couple hours of cleaning (SW Boise)

Location

Idaho

We have a remodel going on in our home right now and everything is crazy. I need someone to come over this afternoon and help clean two bathrooms and perhaps some of the other rooms of the house. We have 4 kids and the cleaning has fallen behind.

Willing to pay \$10 per hour to get the bathrooms clean again....

I have most of the supplies but feel free to bring anything you feel might help make the job.
