This gig is for anywhere from 3 to 10 hours a week. I am feeling very overwhelmed and stressed, as we are selling our home because we can't afford it. The house needs to be clean and the yard weeded for showings and I'm just not keeping up well at all. I live close to the cheese factory. I am in need of a kind, dependable woman who could help me with vacuuming, dusting, weeding and possibly food preparation. This person would need to be extremely flexible as we never know when a showing is going to need to happen. This person would also need to be drug-free with a clean record. This person would need to be happy and willing to work for \$10.00 an hour. I realize that is not very much money to pay, so please forgive me for even asking, but I thought I would give it a try. Please reply via e-mail, telling me your experience, availability and anything else about yourself that you could share. Thank.
