I have a litter of kittens who are now eight weeks old and ready to go.

I have taken them to my vet so they are up to date with their medical care and I have papers for each. They are a playful bunch. Some are long haired and some are medium.

Sorry no pictures.

Asking a rehoming fee of \$100 which is very fair considering some of the other fees I have seen.

Pick up your baby today! They will go!
