  - like the charm of a vintage cottage built in the 1930s but expect conveniences like a microwave oven and an MP3 player
  - want a spectacular view of the water, sunrises, and moonrises
  - want a quiet, peaceful spot to vacation -want a cottage where the owner is nearby to make sure needs are met
  - want to be conveniently located for excursions to great restaurants, world-class museums, and island ferries, as well as hot spots like Camden, Rockland, Pemaquid, Bar Harbor and Freeport
  - want to be able to walk the beach and look for driftwood, shells, seaglass
