WE WANT YOU!

We are a community based hospice program that provides services throughout Somerset, Hunterdon and Middlesex Counties.

We are looking for volunteers to spend time with patients talking to them, reading to them, and just to be there for the patients.

Trained patient volunteers can provide many services:

Sitting with the patient so the family can run errands and provide company when the family is not here

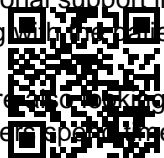

We are also looking for people who have a special skill like a Beethoven, Massage Therapist, Barber, Vet, Therapist, have a musical background, and much more. Volunteers spend time with the children doing various activities, and some have recreational games, and others are providing companionship.
