

It hurts to let him go but he needs a new home (philadelphia)

Location **New Jersey**
<https://www.genclassifieds.com/x-448246-z>

this is kurdall he's a great friend I never would of though he would take to my family like he did I got him 4 weeks old and had him since he's not a f***** fighter so please don't even think about hit me up if I feel that your a bad person you will not get him at all and i prefer a family man to come get him before I say a single person I do not want him as a guard dog at a junkyard he is a family friend and I truly don't want to give. him up at all I would take a lawsuit against my landlord for being a bitch and stereotyping pitbulls but it's against my power he's 9months and health he's almost like the dog from The Little Rascals I had got him for my daughter and this is going to be hard for her so I at least want to put him in a great home I don't want him to go at all I won't except no money but I dam sure will interview ypu to make sure you fit the parenting description for him my number is
