Dear Parents,
 I am an experienced, loving, caring, creative, dependable, and honest mother. I have 20 years of professional experience working with babies, toddlers, preteens, special needs children with autism as an ABA therapist with proven results. Do you want your child to excel? Search no more and try me out! My daughter was in a gifted program along with other kids I have mentored over the years. I watch and tutor children from 6wks old to 14 years old in my home with meals and snacks included. Days, times, and prices are negotiable depending on our mutual agreement. Close to Martin Luther King Jr. E.S. / Public transportation.

Space is limited!! References are available upon request.

My program consists of:

- *Early literacy (Teaching toddlers to read)
- *Daily Academic lessons
- *Physical Education
- *Before and After school
- *Healthy Meal/Snack
- *Art, Music, Dance
