I'm looking for a medium size parrot like a cockatoo or amazon and cage.
I have \$200 to spend but have stuff I could trade.

A hedgehog.

75 gal fish tank with stand.

Xbox 360

PS3

And hopefully soon I'll be having a litter of Boston terrier puppy without papers which won't leave mom for 8 weeks.

Let me know what you have and we'll see if make a deal.
