38 Gallon Tall Aquarium with Stand (Imperial)

Location **Missouri** https://www.genclassifieds.com/x-448282-z

38 Gallon Tall Aquarium with stand. Will include gravel, 3-month old filtration system, hood with light, siphon hose and attachment for cleaning gravel and draining tank, heater, food, and both live and fake plants, rocks, driftwood and coral. I absolutely love it but there isn't room for it in my new.
