## Don't get screwed by Uber!

Hello . . . I'm an experienced excellent licensed/insured driver with a spotless record. If you're going on vacation and don't want to leave your car at the sea/airport . . . especially with those high parking fees, I'll drive you there (your vehicle or my 6-passenger Chrysler Town & Country van equipped with DVD, GPS and E-ZPass) . . . drop you off . . . and pick you up when you return. Plenty of great references on request. For prompt service, please call me but please, no text . . . I'm not always online. Thanks!

PS - According to the October 2014 issue of Popular Science magazine, 1060 are the "number of people injured daily in crashes that reportedly involve a distracted driver." If, when you call . . . and you get my voice mail, I am probably driving . . . so, please leave a message and I will call you back when I am not in motion.

Here's what some satisfied clients have been saying:

"Very reliable service. Reasonable rates. Excellent driver. No complaints whatsoever!" - Dr. S.R., MD/Orthopedic Surgeon, Long Branch, NJ

"I have used Charlie's services many times and he is the utmost professional I have come into contact

with in years. Beats your traditional car service by a mile. He is always on time, accurate and polite. I highly recommend him to everyone." - Mr. Michael DeMat, NJ

I needed a transportation for my daughter and me. The way we perfectly fit was very well. The transportation cabs and services they provided. Charlie, in my opinion, he was very professional and reliable. Whether it was a single ride, or multiple stops, Charlie gives you the feel of a personal driver.

from start to finish. I even opened the door for me! I only suggest anyone to use his car space!"

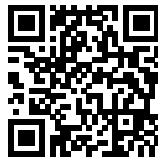

When they were looking to cast Driving Miss Daisy, Charlie could have gotten the role except they wanted him to sit in the back seat. Humility has made him a better person and a great driver. Happy Client. - B. ., Tinton Falls, NJ
