Don't get screwed by Uber!

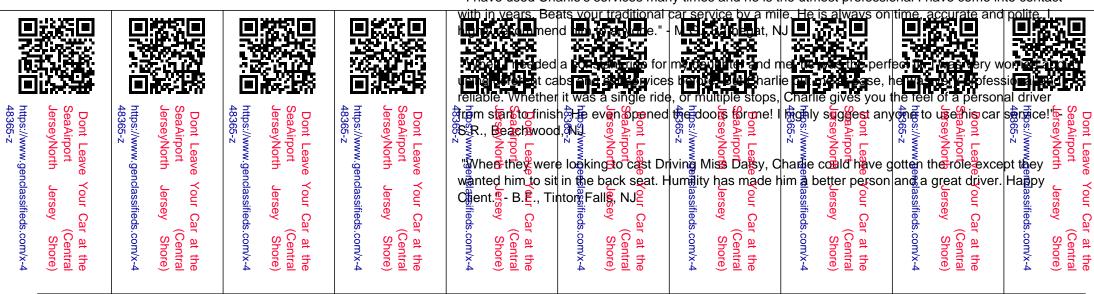

Hello . . . I'm an experienced excellent licensed/insured driver with a spotless record. If you're going on vacation and don't want to leave your car at the sea/airport . . . especially with those high parking fees, I'll drive you there (your vehicle or my 6-passenger Chrysler Town & Country van equipped with DVD, GPS and E-ZPass) . . . drop you off . . . and pick you up when you return. Plenty of great references on request. For prompt service, please call me but please, no text . . . I'm not always online. Thanks!

PS - According to the October 2014 issue of Popular Science magazine, 1060 are the "number of people injured daily in crashes that reportedly involve a distracted driver." If, when you call . . . and you get my voice mail, I am probably driving . . . so, please leave a message and I will call you back when I am not in motion.
