Do you have any small house repairs or small renovation plans, and you are afraid to call a contractor because you know it will cost too much, or maybe you have been asking your husband to fix something, but he just can't get to it :) . I'm the guy you have been looking for. I am experienced in plumping, electric, carpentry, painting. You can call or text me anytime at I can help you with all things around the house like:

Painting  
 Fixing doors  
 light plumbing  
 caulking  
 light electric  
 light carpentry  
 cabinet repair  
 power washing  
 Installing light fixtures  
 Installing bathroom faucets  
 Hanging TVs and pictures  
 Installing dimmer switches  
 Fixing a leaky or cracked window  
 And many many other, you can call me anytime between 7 am and 10 pm  
 with any questions you might have.

Send a picture of your project to my cell phone for a free estimate!!!  
 I will be reasonable with my prices.  
 I will do it and hope to hear from you soon.  
 I will have a text or call to quick response. Thank.
