Do you have any small house repairs or small renovation plans, and you are afraid to call a contractor because you know it will cost too much, or maybe you have been asking your husband to fix something, but he just can't get to it :) . I'm the guy you have been looking for. I am experienced in plumping, electric, carpentry, painting. You can call or text me anytime at I can help you with all things around the house like:

Painting
 Fixing doors
 light plumbing
 caulking
 light electric
 light carpentry
 cabinet repair
 power washing
 Installing light fixtures
 Installing bathroom faucets
 Hanging TVs and pictures
 Installing dimmer switches
 Fixing a leaky or cracked window
 And many many other, you can call me anytime between 7 am and 10 pm
 with any questions you might have.

Send a picture of your project to my cell phone for a free estimate!!!
 Reasonable prices.
 and hope to hear from you.
 text or calling a truck rest, thank.
