My name is Alyssa. I moved to Brooklyn in February and I want to start a band. Mostly because I want to write songs, but also to give my vocals a fair shot. I guess I'd say I have a Zooey Deschanel/Of Monsters and Men style voice, but I can mix it up. I'm thinking The Pretty Reckless meets Shakey Graves ft. Esme could be a cool sound to aim for. Rough and rocky at times, but mostly gentle and folky. Americana.

I play ukulele, but barely. I'll write the words if you can handle the music. If you're a dude with a guitar and a decent voice, hit me up and let's see how we mix. I have a few videos on Facebook, but I didn't practice those songs a ton. They'll give you a general idea of my style. www.facebook.com/alyhubbell
