Do you have a pet that needs more exercise or perhaps has a little too much energy?

My name is Kelsey, I am a college student. I have a french bulldog and a German shepherd. I am a huge lover of animals!!! I have shown horses all of my life. I have also shown dogs in 4-H, until I was 18. I love to walk or run with dogs. I will be happy to teach your furry friend light obedience. Out of the 4 years of showing in 4-H I placed Grand in every class accept one where I received reserve. (The classes were obedience on & off leash & agility) I am truly a lover of animals, my first dog was a Boston terrier that I got when I was 2, I had him until I was 19. My German shepherd is a rescue dog from the pound and my frenchie came from SD. I will walk/jog with your dog by him/herself unless you request differently.

Pricing is as follows:

1 dog for 15-30 mins at a walk- $10

1 dog for 15-30 mins at a jog- $15

OR

1 dog walk/jog three times a week for 15-30 minutes $20
I can come to your house and take your furry friend on their walk/jog from your house or some days I might take them to go around a track at a lake or park. If you have two dogs I am happy to take them together for just $5 more. I have years of experience with animals. I will provide numerous references upon request.

Sitting your dog at your house (two stops a day to let out and feed them)
$15 a day (an extra more for extra dog after 2.
If you want to feed them let me know and it will be a $20 fee)

Dog sitting at my house (can be kept separate from my animals, I have extra rooms, kennels, and a big fenced back yard) is $15 per day and you will provide their food.

I will cat sit as well, at your house or mine.

**will provide references upon request

Kelsey-

:)
