1 bedroom sublet (unfurnished) in 4-bedroom apartment at Town House Apartments available July-August 1 2015. The room includes a closet and window, and the bathroom is shared with 2 female roommates, one of whom will be gone during this sublet period (so the bathroom would be shared with only one other woman). Rent is \$375 / month plus utilities (which are paid separately). Parking is available on-site for a separate fee which may be negotiated with the landlord if necessary. If interested, please message me and we can set up a time if you'd want to see the space! Thank
