Ladies, STOP WASTING YOUR HARD EARNED MONEY ON FAKE "get rich quick" stylist!!!  
 I am a licensed and trained stylist with over 6 years of experience! I took a state board (written and practical) and scored high! Credentials are also posted in my PRIVATE SUITE along with my license! My salon suite is licensed and graded by state board officials! Enjoy wine, mimosas, and a light snack while being serviced! Shampoo and condition included in all service! Trim available upon request!  
 Natural hair or relaxed hair , NO problem!! All products in my salon suite are PROFESSIONAL PRODUCTS!! I also have my own professional product line !! Products are available for purchase!

Do you need Virgin hair??? Real Indian hair?? I've got it!! And I also have proof that my hair is real Indian hair and comes from India!!

Ladies, if you care about your hair come see me! I'm most recommended on styleseat.com/mssiddity !!
