Are you looking for that one go to person for your family's needs? I may be your answer. I am looking for a family who needs someone to take care of their children, either after school, weekends, or full time in the summer. I can do overnight.

I am a pre kindergarten teacher with over 26 years in the classroom. I have a Masters Degree in Early Childhood Development. I am certified in SIDS prevention. I am also a mom of two and a new grandmother of one. I love children, especially infants. I have the experience and the dedication to be your nanny, your tutor, or anything your family needs. Ideally, I would love to work evenings and weekends until summer when I can be there full time for you. Thank you. My name is.
