Hi I'm seth and I am looking for band members to start a part time band in the Detroit lakes and surrounding area. I am 26 years old and I sing and play mostly rhythm and a little lead guitar. I would like to find a bass player and or drummer with an open mind! I would like to play regae rock type of music however I am not against playing other types of music. I am looking for experienced musicians that play drums, bass guitar, lead guitar, and back up vocals. If your interested!!
