Facility Maintenance Techs, Tradesmen, and Handymen Needed

We are looking for reliable and motivated facility maintenance techs, tradesmen and handymen. Ideally, individuals and small owner operated businesses where you are on the job. This is not a full time job, you are hired as a sub-contractor.

We dispatch work orders for repairs as they become available. The work orders are reactive repairs for commercial clients that must be completed in a timely manner. The more trades you cover, the more work orders we can send you.

Trades

Partial list of the trades/repairs we provide for our commercial clients; General handyman, plumbing, HVAC, refrigeration, electrical, painting, flooring, glass, roofing, appliance, signs, shade sails, masonry, laminate repair, awnings, etc.

List the trades you cover and any other trades we have not listed that you perform, in your reply

Requirements

- Vehicle and tools set-up for the trade
- Smartphone
- Must be professional, experienced and reliable
- If the trade requires, must have certification and license

Pay

We pay 30-45 days after each job is completed

Pay on the job or funds on the card needed, you are the client that is paying the bill. You are a sub-contractor and must work for us.

YOU MUST READ THIS: Do not use your own tools, general liability, territory, and as you
