Popi is a 5 year old male lab mix, he is 50 pounds and is very loving. Loves to cuddle, and go for walks. He's pretty laid back, he loves new toys and bones. Would prefer he would be the only dog in the house as he does get jealous pretty easily. (he will either lay on you or just sit there and pout when he gets jealous) I am moving and cant keep him, i got him from the shelter a few months ago. I definitely do not want to put him back in the shelter. He just has so much love to give and he is so loyal and sweet. He will come with his kennel and dog food. You can text me for more.
