Freddy is a timid boy who scares easily. He is curious of his surroundings, but startles with the slightest noise or movement. He will need to attend some obedience classes to help build his self confidence. He is very active with his toys and loves to play rough and throw them around while he is playing. He also considers the rawhide a toy, and plays with that too.

Cleveland Animal Control is located at 2690 W. 7th St, Cleveland, OH 44113. The adoption fee is \$61 (cash or credit cards accepted) and includes: spay/neuter, vaccinations, heartworm test, microchip, and dog license.

Most of the dogs at Cleveland Animal Care and Control are available for adoption. However, sometimes a dog will have a medical issue (heartworm, demodex, broken limb, etc.) that would best be corrected

under the oversight of a rescue organization. Dog that are not available for adoption need to become the responsibility of a rescue organization (we will agree) and we will have Cleveland Animal Care and Control being a part of the rescue organization. Most rescue organizations are open for adoption and we will have our own rescue organization. What we try to do is connect people who want to adopt a dog with a rescue organization.

If you have questions or would like to meet the dog featured on this page, please Call to speak to an adoption representative at City of Cleveland Animal Control. Our hours are 10am-3pm, Monday-Saturday. Sunday hours are 11-2pm. We will get back to you ASAP. We recommend that you put our address in your contacts list so that our reply doesn't go to your spam/junk.
