Help Wanted

I'm single and in my early thirties! I'm divorced and my wife left me with lots of financial troubles. I've been in recovery for three months. I plan to stay sober and just need my chance. I've received assistance thru Fargo housing authority and obtained a voucher from their program. I'm wanting to know if anyone will rent to a felon and not the greatest background. I work down town and would like to relocate in that area. I'm looking for an efficiency to a one bedroom apartment I'm not fussy just a place to call home.

Being approved for this program deposit and rent will be paid thru Fargo housing so you will be assured you will receive your monthly payment in a timely manner! You may contact me thru my cell @ 70one306nine165.

Thank you for your time!
