I'm planning to move to a 2 bedroom apartment soon, looking for a roommate who loves hip hop / rap, and music in general. That's the type of people and atmosphere I want to surround myself with. I'm student at NDSU, so ideally I'd want to live in North Fargo, but I'm open to living anywhere in town. I'm looking to spend under about \$400 a month. If you are interested let me!
