

Handy man (Fargo Moorhead amp surrounding)

Location

North Dakota

<https://www.genclassifieds.com/x-448729-z>

I am currently looking for some side work. I'd hate to say that I'm a Jack of all trades but I know my way around tools and am mechanically inclined. I have previously been in home remodeling, painting/staining, trim work, minor plumbing jobs...etc. For the last 10 years I've been an ASE certified auto mechanic and also ran a couple shops in town... Very professional and clean. Reasonable rates and free estimates... Let me know what you would need done and we can talk about price and what you're looking to spend...Best way to reach me is through...
