

Residential lawn mowing (Fargo, West Fargo, Moorhead)

Location **North Dakota**
<https://www.genclassifieds.com/x-448739-z>

Residential lawn mowing. I have 14 years experience in residential lawn care. I have a successful company in Omaha called green blades lawn service and more. I have friends and family here that want to start a second company with my help here. So with a little help from some new customers we are looking forward to growing a successful company here now! We can mow, trim and blow off all sidewalks, driveways, patios and etc. making your lawn look it's best or we can just do a simple mow for you and we will still blow everything off. We can also do other small jobs. If your interested in lawn service please call or text

Thank you!!! Green blades lawn service and more,.
