Seller said SELL IT so we lowered the price from \$150K to this low price of \$68K. He has actually remodeled this home. It was used as commercial and he rezoned it to residential so it could go back if needed. Was owned by a heat and air company and seller says heat and air to the home is fairly new and good quality. If you are looking for land, a shop, a nice clean home, a storm shelter, for very little money you won't find a deal like this. At the intersection of HW 9 and HW 3 Just 45 highway minutes from Norman or OKC. Land is fenced on 3 sides. 3 beds 1 bath. (photos are mid remodel, all done now)

*****MUST have proof of funds letter or loan approval letter to be met at property to show***
Call me and I can help you obtain this if you have not applied for a loan yet and need to.
