Are you a confident woman who isn't afraid to show off what you've got? Are you in need of some extra cash? If you answered yes to both questions then this might be the job you've been looking for. This is NOT an escort service. Our maids provide cleaning services while dressed in sexy lingerie or fully nude. That's it. Our maids are provided transportation to the clients home by one of our staff who will remain there with her until the services are completed. Clients may enjoy the view of our maids but there is a strict no touching policy.

Because our maids perform cleaning services in lingerie or nude we are able to charge our clients a much higher price than a regular cleaning service. Therefore, we are able to pay our maids a lot more. The pay is as follows: Lingerie service - \$35/hour + tips. Full Nude service - \$65/hour + tips. Two Maid Full Nude Service - \$85/hour + tips. Tips are usually around \$10 - \$40 per service with higher tips for full nude service. You may choose to only do lingerie service or you can do both lingerie and full nude services. Our maids set their own hours and are free to work as little or as often as they'd like.

NOTE: The cleaning is not the most important part of this job. Clients hire our maids more to look at a sexy woman than to get their house cleaned. So your appearance and personality are of more importance. Yes, you will still be cleaning but that's not the main reason they are hiring you. They want to watch you clean while conversing.

If you are 18 years or older and are interested in working with us please reply to this ad and include your first name, your age, a phone number you can be reached at, a few recent pics (full body pics preferred) and tell us why you think you'd be a good fit for our.
