Discreet and private shoot for interested females. This is an adult shoot for private view only and not for public view or websites, online, etc. Pay ranges from \$300 to \$2000 cash, same day pay. Must be 18 or older. For consideration please reply back with your name, age, height/weight, bust, cup size, and include few current photos of yourself. Only reply back if you know what this type of shoot entails and know what to expect (private and discreet shoot for private collection), you can travel, and you are serious and ready for the shoot ASAP. Sorry but this is a real shoot offer and I don't have time for fakes, flakes, maybe-curious types, or time for endless email exchanges. Great gig for anyone looking for quick but great income! Real offer for serious and ready female.
