Went missing on 5/18. Got into neighbors backyard and our neighbor let him out bc he "didn't want a dog in his yard", idiot. I've gotten different calls for different sitings on him, but no luck finding him yet. Anything helps <3

I live between 119th & Western, and 134th and Santa Fe. In the middle of the Eastlake Estates neighborhood. That's a good block radius of where he could be. Please be on the lookout.

There is a \$200 reward for his safe arrival home <3
 All I want is to have him home.!
