Wanting to trade my almost 2 year old female for a HORSE or two. Or cash. must be Greenbroken or Better I will not just take anything for my dog!! She comes all the way from Gal. Texas and is one of Southern Blues BEST Females and has alot of money invested in her she's NEVER been bred and great with everyone!! I paid 2000 for her and receipts and money orders to show. She has won 6 ribbons and is ABKC registered. I'm only rehoming her because I have began to get into horses and out of dogs. I also really do want her to go to a great home not just anyone that wants to breed her out she's the perfect inside lap dog! (Please don't tell her she's NOT a lap dog!)

Willing to take: cash of 900 obo (make a REAL offer),
 One or two horses (depending on price and how ridable. preferably thoroughbred or quarter. Or some cash and a horse.
