

Help remove invasive shiny geranium before it goes to seed (LeRoy Haagen Park)

Location **Oregon**
<https://www.genclassifieds.com/x-448933-z>

Help remove invasive shiny geranium before it goes to seed at the end of next month. This is the last organized event before this happens.

Shiny geranium is an easy to pull annual that make tons and tons of seeds. We're hoping to drastically reduce the seed bank for next year without chemical treatments and replant the effected areas during winter months.

Come join us!
