3rd Floor apartment situated in the West Chester, Media, Chester County, and Delaware County areas. This tranquil setting is the perfect blend between proximity and privacy. You will be close to everything, yet hidden away on a farmhouse property. This three bedroom apartment sits on the top floor of an 1840's farmhouse and has all the space you are looking for. There are 3 large bedrooms with a full bath situated between them. A nicely sized eat-in kitchen and a sunken living room with spectacular views and light throughout the place. The entire apartment is completely renovated with beautiful hardwoods, modern kitchen, washer and dryer, and a gorgeous bathroom. There is room for parking on the property and a private entrance for the tenants. Utilities you would be responsible for include electric and phone (if necessary). We cover the bills for heat, cable and Internet, water, sewer and trash, lawn care, and snow removal.

Ideally, we are in search of a quiet couple that are looking for some privacy and would be respectful to the grounds and tenants below them.

Currently the house is occupied so showings will be by appointment only. Please email for more information and additional pictures. It will be available for rent July 1st.
