 Description:

 (Pictures above are the Living Room and Kitchen)
 Massive One Bedroom with 18 ft ceilings facing the street on Spruce between 19th and 20th. The living room has 3 massive windows for plenty of natural light with a full kitchen including a microwave, garbage disposal and dishwasher. 2 giant couches, one turns into a single bed, with a 32in flat screen HDTV. The bedroom has one massive window facing the back of the building with plenty of light and a bathroom with a marble sink and a shower/tub combination with a door to the fire escape. There is an air conditioner in the bedroom that cools off the entire apartment!

 Neighborhood;

 You are in the middle of Rittenhouse Square, literally, and in fact, the building is a block away from Rittenhouse Market the Grocery Store and the brand new Rittenhouse Starbucks. Walk through the park and you have all the shopping going across town Walnut and Chestnut Streets. Plenty restaurants are all located more than 10 in every direction.
