Description:

(Pictures above are the Living Room and Kitchen)

Massive One Bedroom with 18 ft ceilings facing the street on Spruce between 19th and 20th. The living room has 3 massive windows for plenty of natural light with a full kitchen including a microwave, garbage disposal and dishwasher. The bedroom has one massive window facing the back of the building with plenty of light and a bathroom with a marble sink and a shower/tub combination with a door to the fire escape. There is an air conditioner in the bedroom that cools off the entire apartment as well as newly installed Central Air!
