About us:

We are 3 working young professionals from 23-26. 2 Males & 1 female. We all have pretty busy schedules but maintain a clean and friendly home environment. Looking for someone in a similar position. We've lived together for the past year with no issues. Everyone respects each others space and property and communicates well. Occasionally we cook or watch southpark together or during the evenings. We are seeking a responsible girl or guy who can pay bills on time and respect all of the housemates. Rent is 2750 a month = \$687.50 each + utilities which on average are under \$100.

Shoot us an email with your move in date, and some info about yourself. I'll email pictures and set up a showing for anyone.
