Description:

(Pictures above are the Living Room and Kitchen)

Massive One Bedroom with 18 ft ceilings facing the street on Spruce between 19th and 20th. The living room has 3 massive windows for plenty of natural light with a full kitchen including a microwave, garbage disposal and dishwasher. The bedroom has one massive window facing the back of the building with plenty of light and a bathroom with a marble sink and a shower/tub combination with a door to the fire escape. There is an air conditioner in the bedroom that cools off the entire apartment!

Neighborhood:

You are in the middle of Rittenhouse Square, the park is literally right behind the building, is 1 block away from Rittenhouse Market Grocery Store and the brand new Rittenhouse Square Yards. Walk to the park or have all the shopping going on at the Rittenhouse Square Mall, Wal-Mart, and Walnut Street Philly restaurants in the mall location.
