This is an open space with no doors, located in the center of the room. Ideal for someone who just needs a place to crash when he's not at work and isn't too concerned about privacy. You will be living with 2 other people who share a room and keep to themselves when they're not at work. Must have your own furniture (bed, TV, dressers) as there is no closet. Must be LGBT friendly, no pets, smoking is for outside only. Utilities, cable, and internet WiFi is included in the rent. Laundromat is 2 minutes away, very close to 69th Street Terminal and local shopping. The 107 and 109 drop you right in front of the place if you don't have a car. Also if things work out, the three of us can get a larger place where we will all have our own rooms when the lease.
