I have a mid-size property in St. Francis, WI. I am looking for a landscaping company to remove and dispose of grass/sod from the backyard.

I would like to plant multiple vegetable gardens so I need some of the existing grass/sod cut out. The tentative measurements are:

- * Space #1 - 15 feet x 25 feet
- * Space #2 - 6 feet x 16 feet
- * Space #3 - 2 feet x 10 feet
- * Space #4 - 2 feet x 25 feet

Looking for a company or individual contractors who can perform these task within the next week; by June 1st

Please contact me with your estimated price.

Thank.
