I have been working in child care now for around 15 years, and I am a mother to 3 beautiful grown children. I teach love and acceptance and that everyone is special and unique in their own way. We are not a religion based childcare, we except all faiths! I teach age appropriate curriculum in a fun way that your children will love.

We do gardening, arts and crafts, song and story time, games, and more!

I provide breakfast, lunch and dinner and snacks as well as healthy beverages.

We are accepting all ages

We are a smoke and drug free home. We do have a small kid friendly dog but he stays in the other part of the home.

We have a special entrance for the daycare convenient for parents.

Our children are in CP and have a federal background check done on them. We are licensed by the state of Texas.

my pricing is competitive and I do sibling discounts.

Call or text me today for more information!

Location is close to interstate 30 and 80 and Beltline road
