MinPin to Great Home (fort worth)

Location **Texas** https://www.genclassifieds.com/x-449081-z

Snoopy is a 6 year old miniature pinscher mix. He is house broken, friendly, only barks when at unfamiliar people but instantly retreats upon command. He's does enjoy walks and cuddles. He loves to be under the covers completely. Really great companion. He enjoys bath time and a good belly rub!! I also run the water then put him in. Snoopy is the ultimate pal. He enjoys car rides, doesn't mind being carried around like a toy, plays very well with children. He's the apple of my eye but.... there's always a BUT! I'm moving and I can't afford the pet deposit yet. There's no one in my family that can take him. Plus it's time for his shots. I'm not charging anything but \$25 for gas to rehome him. Will meet you anyplace. These pics are very recent of my little handsome! He's microchipped comes with papers!! Must be gone by June 21st!!! SERIOUS INQUIRING ONLY
