

Amazon parrot 1000 frim (Laredo)

Location **Texas**
<https://www.genclassifieds.com/x-449083-z>

I'm rehoming a beautiful amazon parrot with three colors on his head. He is 3yrs old with papers indicating he is a male amazon. He loves to play say some words and mimics allot of noises. He is tamed and family friendly so donation fee is firm. I am posting in Dallas even though I'm from laredo tx but we can work something out to meet and you have him join your.
