Adorable little girl needs a good home. We were planning to buy a house when we got her but that did not pan out, and she just has too much energy for the space we have.

She just turned 1 year old, she is spayed, current on vaccinations and flea and tick prevention, completely potty trained, and she was groomed last month. Our vet told us that she looks like she may be mixed with a schnauzer, but she definitely looks more Yorkie/Silky than anything else.

She is good with other dogs, cats, kids, and people. She loves to lick and is a sweet, sweet girl.

Please email or text if interested. Asking a \$100 rehoming fee to ensure she goes to the right home.

Thank you,
