Promoter from nyc is looking for an upcoming and new but talented female artist from the Atl Area. I am looking to assist to work with her and promote her music and get her into our shows, possible do some on-line promo or street team promotion. Artists with small to no budget is ok as well with Artists w/o any experience however must be serious-minded, hungry but humble. The music genres I am looking for is reggae, r&b, urban pop, soul, funk or hip.
