I have furniture that could be sold together or separate. I am moving and I have to get rid of these items, I have a living room set a couch, love seat, chair and ottoman. I also have a cute little study desk with chair that I never really used at all. I am selling the living room suite with leather cleaner as well. If you would like everything then it's \$850 and separate the living room suite is \$700, the desk is \$150. I am only selling the pieces in the suite
