Dear Barbara & Nik;

Thank you for the peaceful space and the great hospitality. The Sound Healing session was an extra unexpected treat, Barbara. We got a lot of studying done, enjoyed your sweet town and the beautiful Yuba River. We'll definitely be back for more camping made easy.

Denise & Shane - Alameda, CA Oct 3-5

What a fabulous weekend we had in the RV, and it as much fun to meet you, Nik, a most gracious host!  
Paula & Tom - Oakland, Ca Sept. 19-20

Nik & Barbara;

We had a perfect stay in the enchanting RV. Your land is so lovely with easy access to our beloved Yuba River. The small touches show your caring - flowers, chocolate and cider. We'll be back!

Molly & Craig - San Francisco Sept 12-14

We had an absolutely amazing time staying on Nik and Barbara's property in the RV! Extremely clean and well kept motor home with all the amenities you need. It was an easy, beautiful 10 min drive to Nevada City and just down the road from many swimming holes on the Yuba River. The best part of the stay, however, were Nik and Barbara. We went on a great tour of their property, my boyfriend got to talk shop with Nik in his machine shop, and I received a sound therapy session with Barbara in the temple Nik built for her (highly recommended!) What more could you want from a relaxing vacation in the woods?! Thank you Nik and Barbara, we hope to be back soon!!

Shawn and Max - Oakland, Ca August 29-30 2014

We thoroughly enjoyed our stay in Nik and Barbara's RV. It's a great value and the RV is very comfortable. We really appreciated the lovely personal touches like flowers, chocolate, and pear cider that made our stay feel special. The setting in the woods is great as it is super peaceful and quiet. It is also very convenient to swimming spots on the Yuba River. Nik is also a talented artist and it was really nice to visit his workshop and see his work.

Craig and Molly -- San Francisco August 9-10

We absolutely loved staying at your place and wish we didn't have to go. It's so glorious up there, we will definitely make this a regular visit. We really felt so at ease to have been on your property. One more day would have been the right amount, we'll know for next time.

Tiffany and Andrew -- Berkeley, CA July 25-27

We had the pleasure of staying in Nik and Barbara's RV in the woods last weekend. What a sweet set up they have there with a cute bedroom, very comfortable bed, and a fully set up kitchen so we could make our own meals. Their property is surrounded by trees and close to the Yuba River where we enjoyed several exquisite swims.

If you book ahead, Barbara may be available for a soul retrieval in her beautiful temple that she and Nik built. Don't forget to ask Nik for a tour of his amazing art studio. We can't wait to go back. It was mellow and friendly. Five stars!!!

Mark and Melanie -- Santa Rosa July 11-13

Beautiful setting! Great Unit and comfortable. It worked out perfect for our need this weekend.

Mike & Debbie -- South Lake Tahoe July 3-5

It was like an adventure-tale, being in woods filled with tall trees of pine, cedar, & fir, like being in a 'blind' and watching the birds and the deer without spooking them.

The RV was completely furnished, as promised! It really is true, you won't need to bring anything but your food!

It is spacious and well lit, and aside from having every convenience and necessity, there were fresh flowers and herbs from Barbara's garden, Nik's handmade ceramic bowls and mugs, even honey from their hives, fluffy towels in the bathroom, tasty tap-water, a selection of movies to view, good radio, dappled shade, and still, silent nights.
