This is a BRAND NEW 2 frame stainless steel extractor. Frames must be manually turned to extract from the opposite side. Two deep, medium or shallow frames can be extracted at once. The lid is made of stainless steel, (Not pictured).

I also have other size extractors as well as other bee supplies. Bee hives without bee's, smokers, suits, honey strainers, hot and cold knives and much more.  
 I also sell raw honey.

I can also ship this item.
