For sale is a 5 foot wide bush hog that hooks to the tractor 3 point. Has a new seal on the bottom of the gearbox and a new seal at the PTO shaft. It's heavy duty. All the sheet metal is in good shape. It has a chain that allows the hog to go through dips easier. It has a stump jumper and the blades are in good shape. I bought a lighter hog and don't need both of them. I have a front end loader to help you load it up. Call 479- 85 sixx-3. 2 one sixx, email or text and I will get back to you quickly.
