Working ModernClassic rock band looking for vocalist (Surrounding Counties)

Location **Maryland** https://www.genclassifieds.com/x-459125-z

Immediate opening for a male or female vocalist. Have 15 dates on the schedule and have a ton of fun playing them. We are professional on stage and are serious about the show we perform but have a great time doing so. We play about 15% modern rock, 80% classic rock with a bit of Motown and New Country and play twice or three times a month - practice once a week in Ellicott City. Instrumentation includes lead, bass, drums, keyboards, percussion - now looking for a vocalist. We get along great and prefer the new member to bring no real drama to the group as we have great fun and wish to continue that trend. Please contact me via this ad or phone. Web site address available with your contact information. Thanks.
