Breathe is a short Rock & Roll fable that tells the story of a young man's search for the truth when he finds out most of what he knows about his life is a lie. He meets a young aspiring singer who has embarked on her own personal journey to find the passion within herself and to follow her dreams. Both set off on a journey to find themselves only to find each other. The emotions of Breathe are told with the music of a legendary singer, songwriter, and Rock & Roll Hall of Fame inductee.
